

JUNIOR AIRGUN SPRING LEAGUES

NRA Style Junior Airgun Leagues

San Juan Wildlife Federation (SJWF) is currently organizing Junior Airgun Spring Leagues. The Airgun Leagues will be conducted at the SJWF indoor range and will be held during the months of April to June.

The Airgun Leagues have three divisions, Junior, Intermediate and Sub-junior. The Junior Division consists of eligible participants from 18 to 20 years old. The Intermediate division is for 15 to 17 year olds. The Sub-junior division is for 8 to 14 year olds. Participants under the age of 15 must be accompanied by an adult. Airgun Leagues available are Junior Sporter Air Rifle and Junior Progressive Position Pistol (shooters choice). Air pistols are not recommended for use by youth younger than 12 years old due to the weight and size of the air pistols.

Participants may use airguns provided by the San Juan Wildlife Federation or may choose to use their own airgun as long as it complies with the specifications in the applicable NRA Airgun Rule Book. Pellets, targets and shooting equipment are provided by the SJWF. **Fee is \$5.00 per shooter per match.**

The matches will be held in the evening on Mondays and Wednesdays unless otherwise noted in the SJWF Match Schedule. The first section will meet on Mondays and the second section will meet on Wednesdays. The first match will be April 16th and will run for 10 weeks ending on June 18th. Each match will consist of 10 pellets on each of 3 sets of targets fired from various positions. Fifteen minutes will be allowed for the each set of targets. Five minutes will be allowed for scoring of each target and 5 minutes will be allowed for changing each target.

The entrance to SJWF is off the Bloomfield Hwy just west of the Sinclair card lock station on the north side of the highway across near the Sinclair gas station.
