## THE PREZ SAYS... MIKE FREESTONE

Please remember that this club runs on volunteers. We have the gun show and Youth Sports Fest in September along with a booth at the County Fair in August. The Range officers always have a project for grounds maintenance and improvements. We need volunteers to make all of this happen. If you want to help, contact a Board member or club officer.

Speaking of volunteers, we want to give a BIG thank you to our newest volunteer and member-Bobbie Bishop! She has agreed to get the newsletter going again. We have all felt the vacuum left in communication when the newsletter stopped.

Bobbie, we can't thank you enough

## HUNTER BENCH REST

Our first official Hunter Bench Rest Match was held on June 4. Only eight shooters participated, with some of our best among the missing.

Special thanks to Dave Reymore who drove from Las Vegas, NV, to compete.

There was a swirling, gusty wind from the

southwest, and it simply ate us up. Our Transcontinental League team score was 1,243-56X, our worst in the past ten years. We will do better.

Results:

- 1st Leroy Ransom  
250-13X
- 2nd Dave Reymore  
249-14X
- 3rd Myron Crockett

YOUR DUES ARE

FROM THE EDITOR

I firmly believe that when you join an organization, dues include a monetary figure, as well as a voluntary figure. That's why I stepped up to the shooting box to do the newsletter each month.

I urge you to consider Volunteering to the Federation as part of your membership dues also. If each member gave one hour per month, that would be somewhere in the neighborhood of 600 hours per month. (Wayland probably wouldn't know what to do with all of us!) But there are "light" jobs and "heavy" jobs so there's some-

BOBBIE BISHOP

thing for everyone to do.

Work days are generally scheduled for the Thursday after the Club meeting and usually go from 9 AM to 3 PM. If you can't find an hour here, check with Wayland 326-0273—I'm sure he could find something for you to do, whenever.

There are other volunteer requests elsewhere in this newsletter. Check those out as well.

I personally think the Club facilities are outstanding. Just think what they could be like if we all volunteered an hour a month!
