Picture this...

You walk across the parking lot, unlock your car, and get inside. You start the engine and shift into REVERSE. You look into the rear view mirror to back out of your parking space, and you notice a piece of paper stuck to the middle of the rear window.

You shift into PARK, unlock your doors, jump out of your car and walk to the rear to remove that paper (or whatever it is) that is obstructing your view. When you reach the back of your car, that is when the car-jackers appear out of nowhere, jump into your car and take off! Your engine was running, and they practically mow you down as they speed off in your car. Guess what ladies? I bet your purse is still in the car... It probably contains all of your identification, and you certainly do NOT want someone getting your home address, and maybe your pistol. They already HAVE YOUR KEYS.

BE AWARE OF THIS SCHEME THAT IS NOW BEING USED. Just drive away. Remove the paper that is stuck to your window—later. Be thankful that you read this. Pass it on.

WATCH FOR NEW GATE CODE IN JUNE NEWSLETTER. CODE WILL CHANGE AFTER THE JUNE GENERAL MEETING!

CLEAN UP DAY JUNE 22ND 9AM TO? (3ISH) VOLUNTEERS NEEDED—BRING MASK AND SPRAY BOTTLE WITH CLO-ROX AND WATER (HALF AND HALF)
