## SJWF OFFICERS CORNER:

Dirt work is still in progress on the Multi-use range. The weather has been a factor this year and the affected ranges are closed to shooting until the project is finished. The East Canyon range remains open. After the dirt work is finished a lot of help will be needed to finish the range construction, as weather will permit.

-----

The indoor range is now finished and in operation. Much thanks to Wayland Moore and the "usual" suspects for this project. Great Job guys!!!

## FOUNDING FATHERS

“The supposed quietude of a good man allures the ruffian; while on the other hand, arms like laws discourage and keep the invader and the plunderer in awe, and preserve order in the world as well as property. The same balance would be preserved were all the world destitute of arms, for all would be alike; but since some will not, others dare not lay them aside ... Horrid mischief would ensue were one half the world deprived of the use of them ...” – Thomas Paine, I Writings of Thomas Pane at 56 (1894)

### Our Pledge

“I Pledge to Protect and Conserve  
the Natural Resources of  
America.

## COWBOY ACTION

Cowboy Action is not seeing any action. Just sitting around the fire and keeping warm. What is this? Cowboys can't get out in the cold? I've driven cattle in western Nebraska in weather like we been having and don't have to now and ain't going to. Watch the temp and mud on the Range the end of the month, cause we may clang some steel. O Bar Freddie

**Great answer to a dumb question!**

**Katie Couric, while interviewing a Marine sniper, asked: 'What do you feel when you shoot an Arab Terrorist?'**

The Marine shrugged and replied, 'A slight recoil.'

**Hard to fault a Marine that is that eloquent!!**
