COWBOY ACTION

Winter hours: Set up at 9 and shoot at 10 for both the Sat. Long Range and Sunday stage matches. January's Sunday stage matches were canceled due to extremely muddy range conditions. However, we had a good turn out for the long range matches on Sat. the 24th.

A Quigley followed. After the first round, Blanco Billy, Mississippi and Don Varenhoust were tied. One more round and they finished in the above order.

We normally plan the Long Range the fourth Sat. of the month but since some months, like Feb and Mar, the fourth Sat. is a week after the fourth Sun., remember that we shoot the Long Range the Sat. BEFORE the fourth Sunday on any of these months.

We will try to tell you everything you ever wanted to know about Cowboy Action Shooting at the March meeting. We will be in Period dress with all the firearms we use in this fun shooting sport. The following Sunday which is March 22, anyone who is interested can shoot a modified stage with our guns and commercial cowboy ammo. There will be a \$5.00 charge to cover the cost of the ammo. Any questions call me at 325-2167 or my cell 505-320-5718. Mike Reitz

CLUB MEETING DEMOS

President Freestone has requested leaders of the various shooting activities and disciplines to volunteer and schedule demonstrations for club members as a feature of some of our monthly club meetings. It could include displays, videos, slides, and handouts. We have a video projector available for that use if needed. This is the best way to swell the ranks of those who participate in your activities and contests. Contact Mike Freestone to schedule.

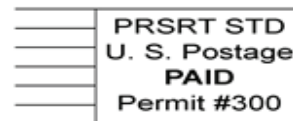

Glock kB! Possible causes and contributions? Unsupported new or reloaded brass; rechambering ammo such that a bullet seats deeper increasing pressure; double-loaded or hot loaded ammo; lead/plated bullets in hex rifling; overcrimping or overseating loads...More next m.
