MEMBER SPOTLIGHT

Mark Teahan is *SJWF*'s new Outdoor Range Officer. Mark has been a member of *SJWF* for the last ten years and is a U. S. Army Veteran. Mark met his wife Charisse while flyfishing on the San Juan River, where she snagged him, and they have been happily married for the past 13 years. Mark is a rig-up truck driver for Triple S Trucking. He enjoys shooting rifles and assault weapons and can oftentimes be found at the long range shooting when he's not working. He also enjoys hunting, especially elk, and of course flyfishing. Mark has a lot of good ideas for range improvements and his goals are to make *SJWF* more member-

friendly for shooters, young and old, to enjoy; and to keep the range safe, clean and in good repair. Members are encouraged to come out to the range and meet Mark and also offer a hand with some of the range duties.—
CM

We appreciate Bond Kinney, the outgoing Outdoor Range Officer for the self-less service he provided to the club. He has found it necessary to eliminate one of the time-users in his life. Thank you Bond!

A CALL TO ACTION

This club has approximately 800 members but for the last 4 years 2 members have carried the activities of this club. Billy and Karen Stalcup served the community by teaching Hunter Safety classes. When no one stepped forward to handle the gun shows they took on that role. When the Youth Sportsfest was about to fade away because no one was willing to take the lead, the Stalcups again stepped in and saved the day. Now, Billy's health is not the best and Karen is no longer able to carry the load on her shoulders.

So here's is the deal, we need people to step forward and take up the yoke. We need volunteers to help with the gun show and the Youth Sportsfest. **IF WE DON'T HAVE VOLUNTEERS THERE WILL BE NO MORE GUN SHOWS OR SPORTSFEST!**

The Gun Show is a major source of income for the club and allows us to make improvements to the range and maintain the existing equipment. Without the shows, our ability to continue those things will become most difficult, and most likely impossible without constant increases in the annual dues.

The Youth Sportsfest is our best opportunity to reach a new generation and

NEWS AND NOTICES

introduce them to the safe, fun, and self-reliant use of firearms, which has been the American way even before 1776. Too many of these children are raised in non-shooting families; never taught about firearms; subject only to the foolish and biased media and their disinformation, scare tactics, and anti-gun indoctrination. Without such programs as Sportsfest, we have little to counter with, in the ongoing battle for the minds of this next generation, and the future of the second amendment, and with it our right to freely use firearms for entertainment, self-reliance, and self-protection, and especially to defend and preserve, if we have to, the free America our fathers left us. Whether we can give extend that freedom for our children, depends on this battle's outcome. This is our chance (and for some kids maybe our only chance) to replace fear with knowledge, and show them what freedom means.

The officers and board members of the Club total 13 people, in addition we have around 12 match directors. That's 25. With the Stalcups and a few more volunteers we only have maybe 30 people running this club and all its activities. Out of 800 members that's less than 4%!!!!

It's time for people to step forward and be counted! Look what the Stalcups

have accomplished. Think what this club could accomplish with 30 (or more) new volunteers! Think of what happens if no one steps forward to serve as Billy and Karen did. The good programs will go away...the club will eventually fade away, and our community will be the worse for it.

If you don't want to do it yourself, put together a few friends and do it together; if you don't want to lead but will help, we'll gladly accept you. We've all heard that if you don't vote in elections then you don't have a right to complain about the government. The same applies here; if you are not willing to help then don't complain about the condition of the range or the programs that we no longer do.

To volunteer contact any club officer and/or call me. My number is 325-5355

Lastly, I am personally so very grateful to Billy and Karen. I also express, for the whole club, the highest gratitude and appreciation to the Stalcups, for the years of selfless service. Serving others has its own joy, and we know it was worth while, but we also know it was hard work, performed well, even sometimes at the expense of a normal family life. Thank you! --Mike Freestone President
