SPE OILMAN'S SHOOTOUT

On behalf of the Society for the Petroleum Engineers (SPE), I am organizing this year's SPE Oilman's Shootout. We are looking for sponsors for the teams and for shooting stations for this event.

The SPE oilman's shootout is a trap shooting competition where teams of 5 shooters shoot for the best score to win the tournament. Each shooter will shoot 4 rounds of 25 shots (100 shots total). Team Sponsorships for the tournament is \$300 each.

We are also looking for \$500 Range Sponsors. The San Juan Wildlife Federation has 5 trap shooting stations. This sponsorship will get your company logo on all the event paper work and a banner at that station during the shoot. This year's event will be on Saturday June 18th starting at 8:00 A.M., teams are to arrive at 7:30. It usually runs to just after lunch.

The proceeds from this event go towards the SPE Scholarship fund which provides scholarships for young aspiring engineers that typically work in our industry. With the rising costs of college tuition it is more important than ever that we support the future of our industry. This is a great opportunity for us to enjoy the sport of trap shooting, do some networking, and offer a college scholarship. Please feel free to pass this onto whomever makes community service decisions and/or donations for your company.

There is limited space for teams as there is only so much shooting that can take place in one day so get your teams entered soon.

Entry forms and questions can be sent to me via e-mail or by regular mail to my Exterran address below.

I hope to see you all there!
