We can't say thank you enough! Lots of factors came into play that made the new five-stand field a reality. There was the initial funding approval by the San Juan Wildlife Federation board & membership. Thank you members! There was the super generous donations from Jerry, Mary and Kevin Foxwell with CF&M Oilfield Services, Dr. D. L. Wilkey with Pinon Hills Ear, Nose & Throat, Allen Palic with L & R Oilfield, George and Gary Riley and Randy Peck with Riley Industrial, Mike and Kim Grady with J & M Baling, Dr. Ted Maurin, Dr. Roger Allyn, and Todd Kelley with Kelley Oilfield Service. Thank you for responding so generously! Let's not forget the donation recruiting efforts by Christine, who knows the right people and the right way to ask nicely! Thank you Christine! Finally, there was the design/build team of Bill Thompsen and Wayland Moore! Coupling Wayland's know-how and construction experience, with Bill's vision of how a first-rate 5 Stand could be built in the midst of our working shotgun range worked.....it all became reality! Thank you Bill and Wayland and also those volunteers who helped them! Thank you, all! Such generosity of means, intellect, muscle, and vision, combined into a team effort of the best kind, has given us a Shotgun Range with few peers in New Mexico. So nice to have a safe, fun, well run, and successful place to shoot. *SJWF* appreciates your support!
