JANUARY ELECTIONS

THE LAST DAY YOU CAN BE PLACED ON THE BALLOT FOR A BOARD POSITION IN THE JANUARY ELECTIONS, IS NOVEMBER 30TH!

Due to employment obligations in the Far East Glenn Dame has resigned as a board member. BE SAFE GLENN, and thanks for your service! With Glenn's position now open, we now have 4 board positions to be filled this January!

If you wish to add your name on the ballot, please e-mail Bill Standley, at vp@sjwf.org by 11/30/2013.

Qualifications are only that you are an active member of the SJWF and that you are current with your dues. SJWF Board terms are 3 years, except that those who will **finish the terms** of the 2 resigning board members, both having 2 years remaining on their terms. Board member terms are staggered to provide stability and continuity to the club. It is unusual that we have this many up for election at one time.

Board Candidates as of today:

Bob Calkins
Steve White
Dana Little
Jim Kennedy
Terry Broker
Mike Karlin

17 days left to add your candidacy.

Bob Calkins (the only incumbent running) was encouraged to run for another term due to his experience and due to the high number of board vacancies. We appreciate Bob for reconsidering for the good of the club. We do have excellent choices for the Board.

Remember the Executive Board Positions up for Election are: President, Vice President, Executive Officer, Outdoor Range Officer, Indoor Range Officer, Secretary and Treasurer.

Candidates for these positions because of newsletter space will be announced in December.

The Executive Board Positions can be nominated from the floor on the day of the election.

Tax deductible donations to the San Juan Wildlife Federation must be made to the San Juan United Way and designated to go to the San Juan Wildlife Federation in order to be tax deductible. Contact San Juan United Way at 505-326-1195 for proper instructions.

A letter to the Membership:

As our membership has grown to over 900, it has become more crucial to operate and manage the range through strong leadership and financial responsibility.

With elections coming, terms expiring, and a few resignations, we need members to step up and fill these positions. These positions require individuals with a vision for the future, and who can work in the best interest of the San Juan Wildlife Federation.

We have many projects already in the works, and many that need strong committee participation and involvement. We need members knowledgeable for our budget and audit committees, range management (maintenance, and operations) for the main ranges and shotgun, and secretarial duties.

In addition we have future projects that need planning and budgeting, as well as implementation. The fencing project with the encroaching subdivision being one.

If you would like to help fill any of these positions please contact Bill Stanley, VP, and chairman of the nominating committee.

Respectfully,
Ken Griner, SJWF Board Member
