YOUTH AIR RIFLE LEAGUE

Fall League began on September 10th, 2012 and ran to December 10th, 2012. Ten Youth shooters signed up for the League and eight completed the League.

The League started with five hours of classroom instruction for those shooters who had not completed the Air Rifle Operation and Safety Course. The Operation and Safety Course provides the youth shooters with basic information about the operation and safe use of rifles, handguns, and shotguns. Two of the five hours are dedicated to air rifle operation, safety, shooting positions and techniques.

During the League shooting the Match and Assistant Match Directors provide coaching to help im-

completed.

The youth shooters compete on several levels. They compete with each other to see who can shoot the highest score on a given target type. And they shoot to qualify for Winchester/NRA Marksmanship Program Skill Level awards. The skill

level begins at Pro-Marksman (Provisional Marksman) and progresses through Marksman First Class, Sharpshooter and Expert to achieve Distinguished Marksman.

The Fall League produced five Marksman (Claire Bedford, Ashlee Lucero, Justin Coen, Danica Coen, and Danny Romero) and three Pro-Marksman (Joseph and James Gallegos, and Bre Victor). **11 year-old Claire Bedford (upper left)** received the award for High Composite Score (a weighted average of Practice style target (TQ-18) and Competition style targets (AR-5/10) of 300./400. She also received the High AR-5/10 target score of 140/400. **11 year-old Bre Victor (left)** received the High TQ-18 target score of 308/400. **7 year-old James Gallegos (above)** received the Most Improved Shooter Award.

OUR PLEDGE

"I Pledge to Protect and Conserve the Natural Resources of America. I Promise to Educate Future Generations so They May Become Caretakers of Our Water, Air, Land, and Wildlife."

Mike Freestone, President SJWF

After serving as President for 10 years I have made the decision to not run for that office again. I still plan on serving the Club and encourage all of the members to get involved. At a minimum, please come to the Club's Annual meeting January 15th and vote for the Board Members and Officers for the next term.

It has been a great pleasure to rub shoulders with fantastic people. There has been a lot of growth and change in the Club over those years. The credit I have received for the progress of the SJWF rightfully belongs to Wayland Moore. He has put his sweat and blood into his child—which is this range. We are fortunate that Wayland is still willing to continue his service to the Club.

The greatest unsung hero of the SJWF is Christine Maestas, she has been the lifeline for the management of the range. She has handled the membership, secretary, shotgun range and has been instrumental in managing the finances. As well, she has been a sounding board for the complaints and problems of members. Anytime she saw a need of the club (or often us members) she stepped forward volunteering her precious time. She is moving on to browner pastures (this is New Mexico after all) and the Club in general and especially me personally, will miss her.

There are many more that donate time and more to the Club, Steve White (web master, security officer, asst outdoor range officer), the match directors, Ken Steele, Charles Phelan, Doug Hutson and the list goes on. Thank you all!

There is one other person I would specifically like to thank. Greg Stradling volunteered as the newsletter editor as a favor to me. I appreciate the quality, time and effort he has put in.

I am excited for the future! The Board of Directors have a vision, they understand what needs to be done to bring the management of the SJWF up to date. This Club is the best range in New Mexico with the greatest number of shooting options and the greatest people. It has been a pleasure to be a small part of it.

Sincerely,
Mike Freestone
