

SAN JUAN WILDLIFE FEDERATION
SERVING THE FOUR CORNERS

NEWS

P.O. BOX 1411

WELCOME! NEW MEMBERS!

We are indeed lucky to have such a neat and convenient facility here in San Juan County. It is no wonder why membership in The San Juan Wildlife Federation keeps growing larger and larger each month.

For a small investment, easily within the means of nearly all, one can join the ranks here, have a great and safe place to practice with firearms, rub shoulders with good down to earth people, and participate in many well-organized shoots & programs.

What's not to like! What was once a small, exclusive club, known to

only a few lucky souls, has become a large one with over 600 members.

We warmly welcome each and every new member who joins our ranks, and wish for you all, many years of enjoying this work of love built by a few dedicated hardworking visionaries.

All of our members, new and old, have an equal responsibility to see that this wonderful asset in our community, not only survives, but gets better. **This means volunteering to help,** wherever and whenever you can,

to assist those programs the club offers, and those activities the club

sponsors, including those required to maintain **our** (your) facility.

We ask, therefore, that each new member would select one

area, activity, program, or maintenance project, and help out sometime within the first year of membership. Not only

will that help build our club and keep it strong, it will help new members make new and lasting friends within the club. Examples? Gun Shows, Sportsfest, work projects, Gun Raffles, County Fair Booth, etc.

The same 10 people can't do it all. Please participate.—Bill Standley President.
