OUR PLEDGE

"I Pledge to Protect and Conserve the Natural Resources of America. I Promise to Educate Future Generations so They May Become Caretakers of Our Water, Air, Land, and Wildlife."

MAKE A DIFFERENCE, The SJWF needs you!

We, the members of SJWF, have been fortunate to have had a small group of dedicated individuals, who for a long, long time, have maintained and managed the range so the rest of us could enjoy the best shooting range in New Mexico.

Several of those individuals cited above are no longer able to carry the load they did before. Age, health, marriage and family responsibilities, all wear down even the strongest and most dedicated (their spouses included). So there has to be a changing of the guard once in a while...and we are at one of those times!

If you enjoy the club and the awesome range we have, then we need you to step forward and volunteer some of your time. In this hectic world, we all feel the pressure of rationing that very precious commodity. We all know the feeling of there never being enough hours in a day to accomplish what we want or need in our lives. We all share that. So then, with no hesitation, we ask you to help us pick up the slack so the dream can continue.

This is one of those worthwhile endeavors, anyone can be proud of, where we can make a difference in our community and our country and for sure in our families. Each of you reading this newsletter are members of a wonderful, worthwhile club that fosters allegiance to community and country. So who will jump in and serve and make a difference? It really is the age old question, isn't it? If not you and me, then who?

Responsibilities we MUST currently fill are:

- Executive Officer (Carl Peskor is currently filling in but will not be able to continue beyond January)
- Assistant Outdoor Range Officer - Help the Executive Officer and the Outdoor Range Officer in maintaining the physical property of the SJWF.
- Membership Clerk -Attends EC and General club meetings, updates and maintains the Club membership roster.
- IT Specialist - Attends the EC meeting and is responsible for the upkeep of the Club's computer systems.
- Security Officer - Attends the EC meeting and is responsible for maintaining the Club's cameras and investigating incidents that occur on the facility.
- Webmaster - Responsible for maintaining and updating the Club Website.

Without YOU the quality of the range will deteriorate ... or we will have to increase dues (perhaps double, maybe more) to hire maintenance and management staff to do what volunteers have historically done.

NOW IS THE TIME to step up and make a difference!

ACCESS ROAD REPAIRS

The SJWF Executive Committee reviewed bids to do repairs on the access road and has come to the conclusion that the road needs more than just a patch job. To avoid having the road be a constant vacuum on club resources it will be necessary to do work on the hill and fix the drainage issue, then pull up the asphalt and fix the underlying road base.
