OUR PLEDGE

"I Pledge to Protect and Conserve the Natural Resources of America. I Promise to Educate Future Generations so They May Become Caretakers of Our Water, Air, Land, and Wildlife."

SPECIAL BOARD ELECTION CANDIDATES

Mike Freestone-

My name is Mike Freestone and I am asking for your vote to be able to complete my term as a SJWF Board member. I have served the Club as a Board member and as President. I assist and participate in many of the shooting disciplines here at SJWF. I am a former police officer and am a concealed carry instructor for the last 14 years.

The question may be asked, "Why did you resign your Board position only to run for it again?" Several members felt their needs were not being met by the Club leadership and that the Board generally (and me specifically) were leading the SJWF in the wrong direction. My term was for another 2 years, but rather than have a continuous disruption, I resigned so that the membership could decide for itself if a change is needed.

If you are satisfied with the direction the Club is headed, I would appreciate your support.

Evan Glass-

My Name is Evan Glass. I am running for the board member position. I was raised in Blanco, and have been a lifelong resident of San Juan County. I am a Kindergarten teacher for Bloomfield Schools. I am an avid hunter and fisherwoman. I have hunted in Africa. I love to hunt deer and elk, I have been very fortunate enough to hunt other state with my husband and son. I am a member of the NRA and have been for many years. I fully believe in the constitution of the United States of America, I whole heartedly believe that the 1st and 2nd amendment are our most precious rights. I fully support President Trump's platform on allowing teachers to carry concealed.

I want to run for a board member position, because I truly want to help our club grow by bringing in more women and the youth. I have volunteered at the SJWF gun shows. A few years ago I spoke at a rally here in Farmington promoting our gun rights. I have also filled in for Steve White teaching a classroom portion for the air rifle league. I am currently involved and was at the rally in Aztec supporting teachers to carry concealed.

I support the youth as they are our future and I would like to get more kids involved in shooting sports, they are our future policy makers. I would like to encourage all women to get more involved in our club. I would like to see more activities for ladies, I have some ideas, but I would love to see input from other members and work hand in hand with them to promote San Juan Wild Life Federation to grow.

Kurt Palmer-

My name is Kurt Palmer. I am a lifetime resident of Kirtland, NM. I have been a masonry contractor for 45 years.

I am an avid supporter of the Constitution of The United States of America. I strongly support the 2nd amendment. I am very firm in my belief of that right. I will not back down from protecting our 2nd amendment right. I am a Patriot Life Member-Benefactor Level of the NRA.

I have been a long-time member of the San Juan Wildlife Federation. I was privileged to be a part of the construction of the clubhouse building. It is a great facility. I know it takes a lot of work and effort to keep the organization running. I believe at this time in my life I have more time to join in the work and effort it takes to keep the facility up. I truly look forward to being a part of what a great club this is.
